<td>Discussion lead by Bernie: Bernie passed around and read report on update for the BOC. Bernie asked Ann to speak on the Oral Exam Consistency which she is chairing. Discussion ensued. Concerns about inadequate practicums tied in with high failure rate. Board has just completed the third draft of a Practicum Guide which will be available on the website where employers will be referred to. This guide includes an evaluation that the student will complete after their practicum. Scott shared information about the Strategic Marketing Plan and mentioned Continuing Education as an important part of that. Members are extremely interested in this.</td>

<tr>
<td>BOC thanked for coming. Break.</td>

Page 6 - NS report, should read “Roy Romanow” instead of Romanoff, NB report - change to “small child associated with a daycare, die of E.coli”, Page 9 - SK report, change to “losing students to other provinces and the Federal Government.” Page 7 - should be “Rob suggested” rather than ‘mentioned’. Page 7 – “Scott will endorse letter to employer of non-certified PHI student in Ontario.” Page 9 – should read “attended focus group on Outbreak Investigation and Response Skills Enhancement Training Workshop proposal on April 22, 2003.”</td>

4. BUSINESS ARISING:

a) Strategic Marketing Plan (All) – Debra will send out action item list which should be easier to read than the pages of minutes. Debra handed out the new Business cards for the Executive members. Rob will put a condensed Executive Summary version of the marketing plan on the website after sending it out to the Executive for feedback. Scott will send a letter thanking Chris and Shawn for doing the marketing plan for CIPHI.

b) Sabbatical Exchange (President/Past President) – Stacey Kelley has completed the exchange but has not submitted a report yet. Has presented to her provincial colleagues in her region. The candidates have until September 30, 2003 to submit their applications for the next exchange. They must sign the waiver of indemnity. They will be interviewed in Toronto.

Twinning Exchange - Denmark (Past President) – Documents are completed, waiver is signed. Claudia has received an application. Rob needs to talk to Steen Fougde first. Will be posted with Branches, on website and possibly in the E.H.R. Exchange would be for two weeks.

c) Health Canada Contract (President/Mah) – Signed contract for Conference sponsorship. They will be setting up several computers at the conference so that people can have access to the website and take a look at their program.

d) Bequests (Past President) – Brent will be getting back to Rob about whether we can send a tax receipt for donations.

e) CIPHI Position Statement Non-Certified Personnel/Strategy (all) - Bequests (Past President): Motion to present the position of hiring of non-CPHI(C) to the membership as a part of the Advocacy report, moved by Stefane Gravelle, second by Victor Mah. All in favour. Carried.

f) Environmental Health Week / CDN PHI Week 2004 Initiatives (all) – Feeling that Environmental Health Week sounds better and less self serving. Discussion ensued. Overall feeling was that we should keep the poster and the wording the way it was as it was clear. January 5 – 11, 2004. Victor will make changes and send the revised poster to the branch presidents.

g) EHFC – award, fundraiser (Past President, Cross) – to be discussed further with the representatives.

h) CIPHI Exhibit (All) – Debra to tell Mike to remove luggage tags from website. Cheque coming from NB branch for 12 golf shirts.

i) PHI Resource Materials (Losito) – Debra passed around brochures received from AB Branch and powerpoint presentation from Ontario. Victor stated that the display is going to cost much more than $1500 if we are to include photos. We will need to move quickly with deciding what we want to include in a folder for Environmental Health Week. Victor will
check into the costs for folders, displays and pamphlets. Blue as CIPHI’s colour.

j) Conference Guidelines Binder (Losito) – Debra passed out binders to each branch president. The appendices are samples of previous conferences. The binder is a work in progress as new versions of forms/pamphlets are regularly updated.

k) Diner’s Club Awards (Losito) – Aeroplan points are difficult to use for Executive living in Eastern Canada as these flights are limited in number and must be booked one year in advance. VISA gold has Air miles as does American Express. Avion (Royal Bank) has a method of collecting points that you can use for any airline. Debra will look into options other than the Diner’s Club card since it is difficult to use the Aeroplan miles.

5. New Business

BC (Claudia Kurzac) – Move acceptance of report, by Claudia Kurzac, second by Ken Cross. Claudia presented report. Difficulty recruiting new branch executive members as one of the largest employers does not support participation in CIPHI activities/conferences. Interested in bidding for 2006 conference. Move acceptance of report, by Ken Cross, second by Rob Bradbury. All in favour. Carried.

MB (Stefane Gravelle) – Stefane presented his report. Losing five out of seven inspectors in the next two years. Very concerned. Employers ensure them that they will hire CERTIFIED public health inspectors. Large number of members work under Conservation. Plan to talk to the Minister about having these positions transferred back to Health. Membership rates increased this year. New Webmaster. Move acceptance of report, by Stefane Gravelle, second by Tammy Carroll. All in favour. Carried.
