

Department of Environmental Health

Competition #0015-17 - Public Health Inspector - CORRECTED

The Haliburton, Kawartha, Pine Ridge District Health Unit has an opening for a permanent 1.0 FTE Public Health Inspector based out of its Environmental Health Department in Haliburton, Ontario.

Position Summary:

As a member of the Environmental Health Department (EH), the Public Health Inspector is accountable to EH Management for the implementation of the assigned Requirements of the Environmental Health Program Standards of the OPHS, or Ontario Public Health Standards (www.health.gov.on.ca/en/pro/programs/publichealth/oph_standards/docs/ophs_2008.pdf), and related legislation and protocols (www.health.gov.on.ca/en/pro/programs/publichealth/oph_standards/ophprotocols.aspx). These include, but are not limited, to the:

- Health Protection and Promotion Act and all applicable regulations
- Healthy Menu Choices Act and the applicable regulation
- Safe Drinking Water Act
- *Beach Management Protocol*
- *Drinking Water Protocol*
- *Food Safety Protocol*
- *Identification, Investigation and Management of Health Hazards Protocol*
- *Infection Prevention and Control in Personal Services Settings Protocol*
- *Infectious Diseases Protocol*
- *Public Health Emergency Preparedness Protocol*
- *Rabies Prevention and Control Protocol*
- *Recreational Water Protocol*
- *Risk Assessment and Inspection of Facilities Protocol*
- and other duties as assigned by EH Management.

Areas of emphasis include Food Safety, Safe Water, Health Hazard Prevention and Management, Personal Services Settings, and Rabies Prevention and Control.

The Public Health Inspector is expected to work independently and as part of a multi-disciplinary team to apply, adapt, choose and/or recommend changes to established methods or procedures and/or to develop new procedures to complete assigned work.

The position involves travel and variations of the working day.

Visit the Health Unit website (www.hkpr.on.ca) under 'Careers' for full details about the position.

The successful candidate will have:

1. Education

- Requirements for employment as a Public Health Inspector as per Section 64 and Regulation 566 of the Health Protection and Promotion Act
