

Public Health Inspector – Full Time Term – 13 Months - Kingston

KFL&A Public Health is a local public health agency with over 200 staff and 150 volunteers who deliver public health programs and services to the people of the KFL&A area. The Infectious Disease Prevention and Environmental Health Division has an immediate opening for a **Public Health Inspector, Environmental Health**. The Public Health Inspector will be responsible for carrying out a general public health inspection program in a designated area through enforcement of the Health Protection and Promotion Act, and the Regulations made thereunder and other relevant legislation. The Public Health Inspector will provide services required under Part 8 of the Building Code and the Regulations made thereunder.

The ideal candidate will have a Bachelor of Science – Environmental Health degree or equivalent and possess a Certificate in Public Health Inspection (Canada) and be qualified to be appointed and remain appointed under the Building Code Act as an inspector within 12 months of hire. One year of related experience is preferred.

KFL&A Public Health is committed to providing staff with a healthy work environment. Continuing education and professional development opportunities; flexibility in work hours; family-friendly policies; strong community and clinical leadership and support and an open-minded, caring, supportive environment, all play an integral role in employee retention.

If you are interested in this exciting opportunity, please apply to: Human Resources, KFL&A Public Health: hr@kflapublichealth.ca by June 30, 2017.

KFL&A Public Health welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

We thank all those who take the time to apply, but only those chosen for an interview will be contacted.
