

Kahnawake Shakotiiia'takehnhas Community Services

EMPLOYMENT OPPORTUNITY

Environmental Health Officer

KSCS is seeking an experienced individual to provide technical expertise and leadership in the development, implementation and evaluation of Environmental Health Services program plans and initiatives. The EHO will conduct public health inspections and investigations, educate, promote and make recommendations to community and their leadership to help manage public health risks associated with the environment. The EHO will also ensure compliance with government regulations pertaining to environmental safety and handle all contact with appropriate agencies.

Under the supervision of the Director of Family Services, the Environmental Health Officer works in conjunction with the Environmental Health Services Team Leader as part of the Environmental Health Services team, by providing expertise and leadership in the development, implementation and evaluation of program plans and initiatives.

Core Responsibilities

- Provides support and leadership for the EHS team, the organization and community.
- Ensures optimum level of resource management
- Conducts testing, inspections and assessments relative to EHS responsibilities
- Promotes and creates awareness within the organization and community

Required Education & Experience:

- A Certificate in Public Health Inspection (CPHI)
- Bachelor/Baccalaureate Degree in Environmental Health and three (3) years field experience

Competition number 090717

Status: 50-Week Contract with a six (6)-month probationary period

Salary: To be discussed

Schedule: 35 hrs/week; must be willing to work flexible hours as necessary

Posting: Open September 7, 2017 - Closing October 6, 2017 @ 16:00 EST

Location: Kahnawake, Quebec (14 km south west of Montreal Canada)

Contact: Jonathan Rice
