

## **PUBLIC HEALTH INSPECTOR (DEGREE)**

**Full Time Permanent HSAS Position**

**Posting #: GO-00510395**

**Location: La Ronge, SK**

Under the direction of the Manager of Environmental Health and the Medical Health Officer, the Public Health Inspector delivers a wide variety of environmental, public health and health promotion programs through consultation, education, inspection and enforcement programs within an assigned geographical area. Established programs deal with health hazards in buildings, water and sewage disposal systems, food premises and enforcement of tobacco control legislation. The Public Health Inspector is also required to enforce *The Plumbing Regulations* and *The Private Sewage Works Regulations* and must be able to interpret and apply legislation, provide consultation services to the public and contractors and to conduct on-site inspections at construction sites.

### **To qualify you will possess the following knowledge, skills and abilities:**

- Current certification with the Canadian Institute of Public Health Inspectors, CIPHI(C);
- A Bachelor's Degree in Environmental Health;
- A valid Saskatchewan class 5 driver's licence or equivalent;
- Understanding of current northern aboriginal health issues and experience working in a cross-cultural context;
- Knowledge of the principles of environmental health and application, interpretation and administration of appropriate legislation under *The Public Health Act, 1994* and *The Tobacco Control Act*;
- Ability to plan, prioritize and complete work assignments;
- Ability to utilize (calibrate, operate, service and maintain) field test kits and test equipment commonly used in environmental health programs;
- Exceptional problem solving skills (competent use of analytical skills, sound judgment and ability to make independent decisions with in established policies and procedures in the course of day to day activities);
- Exceptional skills in interpersonal and public relations (particularly in conflict situations);
- Exceptional oral and written communication skills;
- Ability to work independently and as a member of a multi-disciplinary team;
- Ability to work alone and perform tasks requiring a reasonable level of physical fitness;
- Ability to travel by air and gravel roads to outlying and remote communities, in all types of weather; which may include overnight stays.
- The successful candidate will be required to provide a satisfactory Criminal Record Check

**Preference for this position will be given to HSAS members in accordance with the terms and conditions of the SAHO/HSAS Collective Agreement. Salary and benefits are in accordance with the SAHO/Health Sciences Association of Saskatchewan Collective Agreement governing the position and corresponding to education and previous experience. An adjustment of \$12,600.00 per fiscal year is offered with this position.**

**Closing Date: Open until suitable candidate is found**
