

PUBLIC HEALTH INSPECTOR

Permanent Full-Time Position Timmins Office

The Public Health Inspector is responsible for providing a comprehensive environmental health program in the community in accordance with the Ontario Public Health Standards and the Health Protection and Promotion Act. Using a variety of professional and technical skills, the Public Health Inspector protects individual and community wellness through health promotion, education, inspection and enforcement of provincial Acts and Regulations.

Qualifications:

- Current certification in Public Health Inspection from the Canadian Institute of Public Health Inspectors of Canada;
- Bachelor's Degree in Environmental Health or equivalent;
- Public Health experience is an asset;
- Excellent oral and written communications skills;
- Strong interpersonal, organizational and problem-solving skills;
- Thorough knowledge of all legislation and standards as they relate to environmental and public health;
- Ability to work independently and as a member of a multi-disciplinary team;
- Ability to communicate in both official languages is an asset;
- Willingness to work flexible hours and travel to meet program needs;
- Access to a vehicle and possession of a valid driver's license.
