The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to Indigenous people and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

Applicants may be required to undergo testing to validate their knowledge, skills and abilities as they relate to the qualifications of this position.

We are currently recruiting a Public Health Inspectors for our Dauphin, Winnipeg and Portage La Prairie, but would like to use the following competition to fill anticipated or future vacancies in Winnipeg and other rural locations. Candidates should indicate in their covering letter which area(s) they are interested in working.

Conditions of Employment:

- Must be legally entitled to work in Canada
- Board of Certification (BOC) of the Canadian Institute of Public Health Inspectors (CIPHI), along with on-going membership and participation in CIPHI's Continuing Competencies Program. Candidates who have still not yet received Board Certification but are registered to write the BOC in 2019 and in the spring of 2020 are still encouraged to apply and may be considered on an underfill basis
- A current and satisfactory Criminal Records Check (CRC), candidates are responsible for the costs associated with obtaining a satisfactory CRC
- A valid Class 5 (F) Driver’s License
- Access to a personal vehicle for use on the job
- Some positions may require the incumbent to travel to remote locations by car, plane and boat and be available for consecutive overnight stays

Qualifications:

Essential:

- Completion of a post-secondary degree in Environmental Health from a recognized institution. An equivalent combination of relevant education, training and experience may be considered
- Experience with inspections as well as monitoring and enforcement of regulations, guidelines, by-laws and/or Acts to ensure compliance
- Experience investigating complaints
- Strong working knowledge of The Public Health Act, regulations and public health inspection programs, in addition to general knowledge of other Provincial and Federal Acts and regulations
- Strong problem solving and decision making skills
• Well-developed verbal communication skills, including the ability to deliver presentations
• Well-developed written communication skills
• Ability to manage potentially high conflict situations effectively
• Proficient in the use of computer based applications

Duties:

The primary responsibility of this position is to administer and enforce regulations under *The Public Health Act* and *Non-Smokers Health Protection Act*. Duties include compliance/monitoring activities, inspections, complaint resolution, and enforcement action pertaining to Permits, Regulations, and Orders in the enforcement of public health legislation administered by the department. Analyzing data, preparing reports, making recommendations, and taking appropriate action are also requirements of these positions.
